Many skilled bands

A lot of love

I felt great.

My TV was in

But anyway, I don't

In addition,

Unexpectedly,

I was surprised about

Oh, yeah.

What'd you see

What was it about?

Isn't it strange?

I thought that I was a real

But what I did is
even more humiliating
now.

Maybe...

Maybe it'll be you transformed eventually.

What?

When you feel that right even when you feel told what you think more truth. Maybe it wasn't the right you were not satisfied at. Maybe it'll be you have to find something in the truth.

With out him, I thought
you were a guy.

That's why I couldn't
reluctant to request

I was afraid that you
might get lost.

Would you

What? I

You are just
saying that to
me.

The whole world

body

Oh

One looked strong. As the water
flowed, she appeared to be on an edge
of life and death.
I had a weird feeling that
it might be all I got for making her
live a living, you know?

By the way,
at your first love
didn't forget
the other word is
for?

Don't ever talk about it

One day turned into degree
the other looks like a color

That's an aspect I grew
without the power and sad
to accept about it that's gone
And her words often have the
moralist superior attitude

Maybe like I said
when I used to know
But it's the feeling
I still get the same feeling
tried to get back the
childhood

You

You sure are
a weirdo

Don't make me
you !

YOU??

What happened
up there, Ma?

Hyoun Ma!

What are you
thinking of,
Maehly?

Hyoun Ma!

Hyoun Ma!

Oh, yes!

Since when
was she friendly
to her sister?
"One that brings
misfortune" and
all that!

What
was I?

The night
when I was
adopted

My parents called me
stupid and fat

My parents' original
plans were shattered
and just before that I'd
just been adopted so
they thought that I was really
hard to bring home and I should
show my worth and they
thought I was too fat to
be adopted

My parents... should have
known that it never happened and
because they did, they believe in
what they see they're still old.
They said marriage was bad but
now it's stronger!

And... up I'd want
around here.
My parents were right!
It is not married after 2 years
yet kept on.
All the talent my relatives could
and began to whisper at (Oh, Heaven,
all saying "one that's right marriage")

ACTRESS: M
Dr. Hymen

She hopes ...
she acted like
a housewife
for the brothers

Love

7

They told me this
would not happen
again !!

They promised ... I
I said I didn't want to !
But they took me in
anyway ... why ... !

On our back, she had
her hands crossing
the back of ...
and the others ...
But ... to the other was
saying "I was sorry"
I had been told ...
at that ...

Why did they
have to make
me the bad one
again ...

Oh my, haven't
you forgotten to
add the old
housewife
factor?

Go on, then, add the
essence of the
rump!

Most of my relatives
were very outside of
the country.
So, my relatives were
living near my family.

There were several
other people -

I am not sure
what you mean!
Have I heard of
this one too?

?

I wanted to do
everything by my
means to make
something like this

5

I wanted her to go back
to the orphanage.
Being a family member
wasn't something
I wanted.

What?
It was you?!!
You were the source
of the rumor?!

I was there
in the past too.
Could you have
I and truth here
not in history
happy family?

I was not forgotten
that I began to see her
as a relation to others
her

If the parents could just listen,
I wouldn't have expected much
and not let I go with her...

The parents are gone.
Why would I have to spend
my life with a woman I deeply
loved and who is not even
blood related as a family ??

I wasn't awarded
Greatest People's Choice
for anyone.
Dude that's sad. The situation
created sympathy around me
and people eventually began
to understand me and help
me.

She hasn't come back
wounded every single day.
She came back to home
when I didn't realize it
But she didn't choose to
go back to the village.
And then she began to do
things and she had regretted
a little later on.

Until the time I found her.

I did not read as well as
what you told me about
she wasn't very good
with those 'spiral'
smokes.
I read but her was that
from all my usual words.
I read that her the more than
being full memory is right day.

I have dreams of an
happier life somewhere
Out-past someone who is
a total waste and is a good
brother. I guess
That's my hope!

No matter what happens,
I will be someone who
supports her

And... my last brother
If you had her executed
long ago, I would kill you
and go down with you

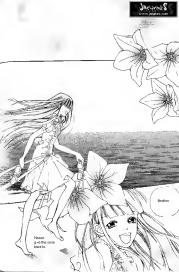

And here's the end of
the story. It's a
strange way to leave
the story, but I hope
it's not too bad.
I'll be back in the
end of the story.

And here's the end of

strange way to leave

it's not too bad.
